**Application for Christian Baptism page 2**

**Godparents:** Two are required for each child, one male, one female. (Another Godparent of any gender may be appointed). A Godparent can stand for more than one child. All must be over 18 years old, baptised themselves and preferably confirmed. The Godparents' principle role is to be an active Christian role model for the child – to be a God Parent. By implication they will attend Christian worship at any mainstream Christian church. If you need further explanation please enquire of the vicar.
